www.epyouthsoccer.org

The East Providence Youth Soccer Association is an organized non-profit soccer program for the youth in our community. We hope through your assistance we can bring soccer, discipline and good role models to all of our youth. There are fees and costs associated with team and player registration. You can help ensure everyone has the opportunity to play and help these young boys and girls chase their dreams of soccer stardom by sponsoring an individual player.

A \$400 donation will pay for a player's registration fees to participate in the Fall and Spring Super Liga soccer season. Your generous sponsorship will also cover the player fees of one winter indoor soccer season. That amounts to approximately 24 weeks of competitive soccer.

Any remaining balance will help to offset all player fees within the league. Any amount of donation will be greatly appreciated so as to reduce the cost to each player.

Corporate sponsors will have their logo on our websites. Please email company logo in JPEG format to eastprovidenceysa@gmail.com.

Player Being Sponsored _____

Age Group _____ Gender _____

Name of Sponsor _____

Full Year Sponsorship \$400 or Make a Donation _____
