

EPYSA has created a team app with the hope that messages sent out are received easier and on your phone in case you miss your email.

This is how you download it

App Store Team App

Look for EPYSA Dragons

Select

Sign up to team app

Enter you details

A email will be sent to you to confirm your registration

Go to team app and sign in

Select parent/player

Write reason for joining i.e. coach player parent.

Press continue

Approve will be done and you will be already to go.

News- any information will be passed out through news alert will come across your phone

Standings - the competitive team are able access to where on the ladder they are etc

Chat- here the coaches are able to send messages to their players and parents. Parents and players are also able to ask the coach questions. Please check with your coach if they will be using this method.

Please go into your child's team and turn on notification.

Please note all messages will be monitored

Sponsors- a list of EPYSA sponsors please support these businesses

Website & committee - link to our website and EPYSA committee

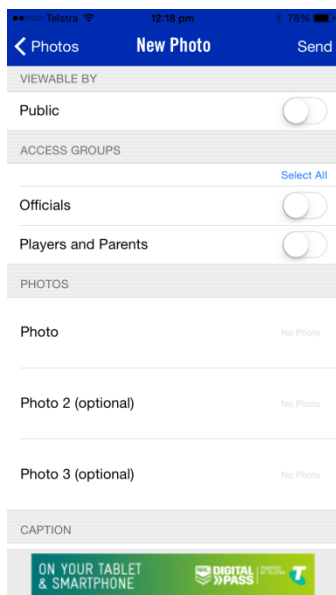

Events- upcoming events

Team selection- players in each side

Photos- updated photos where parents can also share photos from their game.

To add a photo go into photo

Press the box with a pen in it top of your screen

Select access group parents and players

Select photo and upload either from your library or take a photo. Be sure to put a caption in to say what age group and save top corner.
